

Roller Skating Permission Slip

Camp Ahava 2015

Dear Parent or Guardian,

Camp Ahava will be participating in an 8 week in-house roller skating program throughout the entire summer. The skates will be provided by Skatetime School Programs®. Campers will learn basic skating skills such as starting, stopping, forward skating, backward skating, cornering and a number of safety tips for being a smart skater.

Skating provides a variety of benefits, which include balance, coordination, motor skills and a top rated cardio-respiratory workout!

I grant permission for my child to participate in the roller skating program at Camp Ahava this summer. I release Skatetime School Programs, Camp Ahava, its agents, employees, and volunteers from all actions, damages, claims, or demands and all liability, which might be incurred during the conduct of this activity.

I further authorize Camp Ahava staff to take the proper steps to provide medical attention (first-aid) should my child be injured while participating and I hold Camp Ahava and Skatetime School Program harmless thereof. I acknowledge the risk and responsibilities involved in this activity.
